

239TH ARMY BIRTHDAY MESSAGE
SECRETARY OF THE ARMY JOHN MCHUGH
0:28 SECONDS

On June 14, 1775, the Second Continental Congress established the United States Army. Since then, the American Soldier time and again met the needs of the nation and has stood for the hope and promise of a better tomorrow.

Thank you to our Soldiers, Army civilians, and families for your dedication and devotion to the profession and for building the bedrock of freedom we have enjoyed for 239 years.

Happy Birthday Army.
